

FOOTHILLS FOREVER.ORG

**Together, we are making this happen...
but we have a lot more to do!**

With your help we reached an agreement to purchase the 101 acre West Mesa of the San Marcos Foothills! This will permanently preserve and protect the land for future generations. Our intent is to add it to the 200 acre San Marcos Foothills Preserve.

We need your help now!

We're forging ahead full steam to our goal of raising the purchase price of \$18 million by June 1st.
